

A Global Welcome

Article 30 of the United Nations Convention on the Rights of the Child states that, **‘every child has the right to learn and use the language, customs and religion of their family, whether or not these are shared by the majority of the people in the country where they live.’**

At Lydgate Junior School, there are 16 different ethnic groups represented amongst our children and 31 languages other than English are spoken. This is something that makes our school community very special indeed.

Our ‘One World, Many Cultures’ display in the school hall shows many of the countries represented by our school community. If you have any ideas about how we can do more to celebrate the diverse cultures and languages represented in our school, please get in touch via the school email.
